# DEDICATION

A sincere affection and admiration for the man, coupled with a genuine respect for the teacher, inspire our dedication of THE RAINBOW OF 1949

to

JOHN THOMAS HAINS

Through the years of our association with this teacher and friend, we have looked to him for encouragement and understanding. He has never failed us. We salute THE COLONEL!

JOHN THOMAS HAINS

# FOREWORD

The editorial staff has tried to capture the spirit of events of this school year in order to provide you with a volume to which you may turn later with pleasure. We have attempted to carry out several ideas relating to photographs and sketches which, we feel, are very pleasing.

The work that has gone into this edition of the **RAINBOW** will be more than compensated for if you are reminded of enjoyable moments from your life as a student.

# CLASS PROPHECY

TIME: 1960

PLACE: HEN GATHERING AT THE HOME OF A FORMER MEMBER OF THE CLASS OF 1949.

"Come in. How is the new manager of Bowen Brothers"? I always thought that you would some day graduate from toys if you worked there long enough. Where is Frank? Oh, you left him at home. Pat will be here at any minute now. You know she has to pack Jack's lunch every day. He is a radio mechanic now, and he works nine hours each day. I guess that you heard about Lib and Helen's double wedding. They have put Jimmy and Charles off all these years in order to become professional women basketball players. Have you read Conrad McGahee's new book on "How to Get Along With Women"? He starts off with the unpredictable nature of women and ends up with "How Not to Get Along With Redheads". . . Excuse me. There's the doorbell. It's only Sonny with the cleaning. You know he and Jackie finally got married, and he is now running Luckey's cleaners. (Thud) The paper, already? Well, let's see what's news. Bobby Ansley is the new Independent Candidate for Mayor of Augusta. I wish him all the luck in the world. He has had a hard time of it. He got disgusted with the Crackers for not providing fire extinguishers for the labs over at J.C.A., so he deserted the party. And here's Bobby Parrish's picture. Well, what do you know? He has been chosen "Sweetheart" of the Women's Temperance Union. (Ring) Sounds like Mary Anna. She was always so quiet and timid. Wouldn't just walk in like the rest of us. I wasn't expecting to see her here so soon. She and Arthur have a farm out in the country, and the only way she can get into town is to ride their tractor, because Arthur thinks that autos are an unnecessary luxury. Have you heard the scandal? It seems that Dr. William Fleming had to stop practicing. Ernest was in practice with him and tried to keep him in hand, but his efforts were all in vain. Bill asked all his women patients for dates and flirted outrageously with them. I wasn't surprised, however, because you remember what a "Locker Loyer" he was over at school. And, of course, you knew that Robert Anderson is half owner in the Georgia - Florida Railroad now. He says that he and Ann are rearing their children to be railroad engineers. (Ring) Well, there's Edna. I hope that she didn't bring little Shealy with her. He makes more noise than all eight of my boys. Marita won't be able to get here since she is in Panama at the time. She pilots Herbert all over the world. I wish that I could fly, but Harry says that I am reckless enough in my car much less in a plane. There is Lois out front. Wonder if Willard brought her. Hear that she had to take very good care of him. You know he has always been frail and could never take any exercise. I was hoping that we could all go to the lecture down at the auditorium, tonight. Luther Fulmer, who finally grandated from J.C.A., is going to give a talk on "How to Behave in Class". After his speech, Inman Phillips and Dabney Graybill are going to lecture on "Chemical Laboratory Technique." Dabney is to demonstrate several experiments. I certainly hope the auditorium is fireproof. I think that Brian Merry is going to be an usher. Poor boy, he tries so hard to get ahead. I've tried to get him to help Joe Scoggins string tennis rackets, but Brian says the job requires too much thought. It doesn't look as if any one else is coming, so let's suggest to Edna to take us to ride in her new fifteen seated "A" Model. She made a lot of money when she traded in "Smoaky". I think that she sold it to some place that bought odd-shaped objects. Well, let's be off to Bill Lange's "Drive In and Eats" as he is giving a free concert on his guitar in about twenty minutes.

# LAST WILL AND TESTAMENT OF THE CLASS OF 1949

We, the class of '49, hereby will and bequeath to our younger schoolmates a portion of our experience, fame, and knowledge. Having taken all sorts of praise and honors for our outstanding work, we do sincerely hope that you, our emulators, will do the same. Thus we hereby state and produce this manifesto as our last will and testament.

1. Gaines Huguley leaves his regards to Rodgers Feese who, due to circumstances beyond his control, can not be with us as planned.
2. Bobby Walker leaves one full lunch basket to Bilbo Chance with the hope that he will not be hungry on his trips around the track.
3. To Joel Cohen, Leonard Cotts leaves the distinction of being the only red head in the graduating class.
4. Bobby Horne, leaves to George Wright one case of Horne's Hash in order that he may be built up.
5. Steve Brett, leaves his remaining hours in detention hall hall to any good junior who is willing to take them.
6. To Nath Hayes, Claud Graybill leaves his ability to make A pluses and to get along with Mr. Howard.
7. Reginald Cartledge leaves to Righton Robertson his ability to act like a monkey and badger Mr. Scott to the point of exhaustion.
8. Fleming Norvell leaves his laugh to Butch Mullerin so that he may keep next year's physics class awake.
9. Dink Hensley leaves his ability to get along with Major Vivian to Wade Saxon.
10. To Jack Hall, Richard Weathers leaves his famous title "Wee Wee" in order that he may become better known in the world.
11. 11. Gene Marks laves his golfing skill to Larry McCreary with the hope that he will win the Master's next year.
12. Lloyd Havird leaves ten yards of cloth to Tommy Sanders with the hope that he will have a pair of pants made to fit him.
13. Jimmy Murphy leaves his military ability to Harry Sherman so that he may head the Corps of Cadets next year.
14. To Jimmy Harrison, Jimmy O'Daniel leaves the speed and agility which are so necessary for all great athletes.
15. Jimmy Pyle leaves Jimmy Boatwright his rank of major so that he won't have to carry a rifle next year.
16. LeConte Talley leaves his shiny new limousine to anyone strong enough to push it.
17. Stewart Wiggins leaves his profound sympathy to next year's commander of the first platoon, Co. C.
18. Richard Edwards and Herman Oellerich pass on to Billy Evans and Herbert Elliott their way with the fairer sex, which was given to them by Jimmy Lester and Dick Jones, with the hope that before long someone will be able to use it.
19. To Angus Wilson, Bobby Baggott leaves his athletic ability in order that he may win the state track meet next year.
20. LeRoy Suddath leaves his all-GIAA tie pin to Tommy Herndon so that he may look sharp at all times.
21. Emory Farr leaves his good eyes to some blind eighth grader with the hope that he may be an honor student.
22. Morris Scott leaves his uniform to "Edo" Douglass, hoping that it will fit well.
23. I, Elliott Porter, leave my ability as a "prof" to Gene Kelly for next year's "Stunt Night".
24. Bill Branan and Bill Corley leave Mr. Talley one copy of **Esquire** so that he may be able to keep his classes awake.

# CLASS PROPHECY

Time: 1959 A. D.

Place: Talmadgeville, New York (a carnival on the outskirts of town)

Scene: A slightly freakish man trying to \_\_\_\_\_

"Come one, come all, to the greatest 1  
Hootchie Kootchie, see the great show for  
how about buying a——, well, well, if it is  
Haven't seen you in a coon's age, ten years  
picture of sunshine. What have I been d  
dope, I started peddling the stuff; yep, se  
es are my best customers, now. I'm just w  
the carnival. Well, for you I will close m  
your face; we are closing.

Say, Gaines, do you remember old Jim  
vitation to the Masters Tournament. W  
chief caddy. Gene Marks is his assistant and is in charge of wiping  
taken over Al Capone's gang. I always told you he was a shrewd operator. They say he got his start  
in the criminal racket at the old Richmond Academy, on Monday nights. Yep, he always got a good  
price for those magazines. That show over there, that's the dog man act. Thaddeus McCarlton, is  
the dog man. He walks, he talks, he crawls on his belly like a reptile! You ask how he got such a  
fine position? He always did wag his tail at school you know. Remember old Bob Walker? He  
is working for the Alcatraz Fur Company selling mole skins. Yep, come to think of it he does remind  
me of one of those animals. Remember Mr. Basketball, Leroy Suddath? He is now working  
his way through Kentucky, still trying to win a tie for his tie clasp. I just saw in the paper where Mor-  
ris Scott and Neil Ghingold will meet in a 30 round boxing match at Madison Square Deal. Those  
promoters sure can match them fighters evenly. Jimmy Stewart works with the United States Park  
Commission setting up parallel bars. Give me some more of that benzedrine to smoke in this pipe.  
Did you hear about Herman "Glamour Boy" Oellerich? He went broke trying to make the grade in  
the U. S. Army and had to pawn all those medals he got. He always was a smart boy. Steve Brett  
just got out of Sing Sing last month for picking pockets on the Waterfront off drunk sailors. He's now  
got himself the position of shining shoes at Sapp's Barber Shop. "Rod" Feese, the boy with the beau-  
tiful bridgework is now modeling for Ipana Tooth Paste. Bob Baggott is collecting garbage in  
North Augusta with the assistance of Paul Greer and Bill Drew. He always did look good with a  
garbage can under his arm. Yep, he could have modeled as the man of did-stink-tion. What ever  
happened to Ronny Barksdale? So he is now with the Alcoholics Anonymous. He is their chief  
specimen. One look at him and alcoholics quit drinking for life. Old Gerald Ehrlich and Wesley  
Bonzo have changed their first names to Alvin. Quit smoking all that Benzedrine, you sure are hog-  
gish. Who is that human monkey over on the Midway jumping all around? You say that's Reggie  
Cartledge? He always acted like he came from the process of evolution. Old Scott Baynard is now  
singing at Carnegie Hall, and Le Conte Tally is teaching Physics at the University of Georgia.  
Did you hear about Richard Weathers making the all Southern Basketball team? It took him a  
little over 16 years to do it. He always did pull thru that boy. Remember Richard "A-plus" Kelly.  
He went to Oxford but couldn't earn but one unit in 8 years. He's now playing fullback for a pro  
football team. Hugh Neelands is working in this carnival; he is on that trapeze over there. Russell  
Hair, the boy that drove such funny cars, is now working at the Indianapolis Speedway. That  
boy could always sell a nickel drink. "Dink" Hensley is acting in Richard Edward's new Broadway  
play. An important part. Nope, he is used to imitating horses. Give me a package of morphine to  
take home. Claude Graybill and Nat Hayes are operating a Woman's Missionary on San Francisco's  
west coast. Claude always could deliver a good sermon. Well, Gaines, it sure was nice seeing you  
again after all these years.

ee Mudface Minnie do the  
as, you with the bright nose,  
is everything with you?  
I look well and healthy, the  
re always been known as the  
Those Hollywood actress-  
winter. So you want to see  
anyhow. Hey Minnie, wash

always wanted to get an in-

A sad dope fiend walks slowly back to his show shouting: "Come one, come all to the greatest  
show on the Midway and see all the freaks" just for one thin dime, one tenth of a dollar".

# RESUME OF THE MILITARY YEAR

With the arrival of the new commandant and the new Assistant PMS&T, the military year began. When drill time came, the regiment fell in with last year's senior officers commanding. After some six or seven week's trial, officers were appointed for the school year with Major Bill Fleming as regimental commander. A

Sabre Club was again organized because after each year the Club is dissolved. The first important review of the year was the annual parade for the girls of Tubman High School. In full dress, the Cadet Corps put on, as usual whenever Tubman is represented, a perfect parade. The Sabre Club had its annual Christmas Dance at the old Medical Building on Telfair Street. The dance was a crowning success. Highlight of the evening was the presentation of a gift to Captain Thebaud and Miss Lelia Mulherin, who were married shortly after Christmas. On returning to school, plans were begun for the annual Military Ball, held every year in the spring. On Army Day, April 6, the regiment was presented an award of Proficiency for excellence during the past year. On the night of April 13, the cadets, in full white dress, escorted their dates to the Second Annual Military Ball. Miss Austin Gilliland was chosen by popular vote to represent the cadets at all their social functions for a year. The annual Spring Training inspection, conducted by the Depart of the Army, occurred on April 22 and found the cadets confident they would retain their "Superior" rating. Final drill exercises, at this writing, are to be held on May 6, thus ending a successful military year.

## THE SHERIDAN MEMORIAL SABRE

The Richard B. Sheridan Memorial Sabre is an award made annually by the Reserve Officers Association to the cadet officer of the R.O.T.C. unit who is judged to be the best soldier. The sabre is awarded in memory of Richard Brinsley Sheridan, honor graduate of Richmond Academy, who lost his life in the football uniform of West Point in 1931.

In order for a cadet to win this award, he must be not only an outstanding officer, but also a versatile and capable student. Although there are no rigid qualifications, custom has established that the recipient of this sabre be a conscientious student, a proficient athlete, and a leader in class activities. The most conspicuous similarity between the boys who have won this sabre is, however, their character. Without exception these students have been first and foremost gentlemen. Thus, The Sheridan Sabre has come to be the most coveted award made to any Richmond Academy student.

**Award for 1948: Captain Thomas Richard Kirkland**

## SCRUGGS MEMORIAL SABRE

The J. Bland Scruggs Memorial Sabre is awarded annually by Professor C. A. Scruggs in memory of his son, J. Bland Scruggs, to the cadet officer at The Academy of Richmond County who is outstanding in military and scholastic achievements. To be considered for this award, a student must show by his deeds that he believes a sense of fairplay as essential an attribute as any accomplishments or honors he may receive. This award is considered by the cadets as one of the school's highest honors.

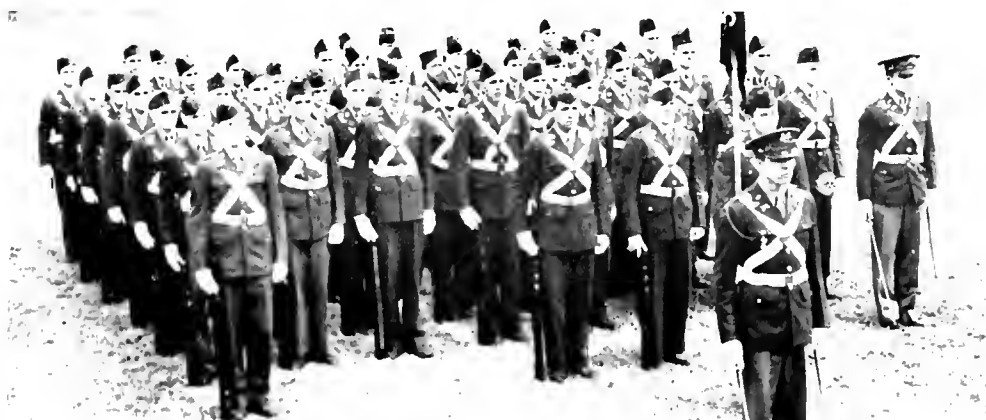

**Winner of 1948 Award: Captain Thomas Richard Kirkland**

## VETERANS OF FOREIGN WARS SABRE

This sabre is presented each year to the member of the Junior Class who distinguished himself as a leader on the drill field and as an able student in Military Science and Tactics. The award is made by Post 3200, Veterans of Foreign Wars.

Winner of 1948 Award: 1st. Lt. Herman J. Oellerich

## THE AMERICAN LEGION SABRE

The American Legion Sabre is awarded each year to commander of the company that has won the most parades during the school year. The sabre is given by Post 63, American Legion.

Won by Company A, commanded by Captain Thomas Kirkland

The Cadets opened their 1948 football on the night of September 17 by turning back a North Augusta eleven by the score of 12-6. Derwent Langley crashed over from the one-yard line to bring to an end a fiercely contested battle between the two elevens.

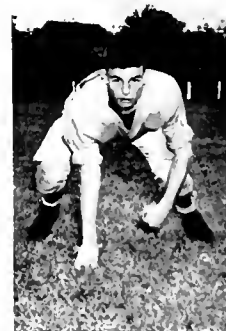

In the next game the Musketeers turned back the Elberton High Blue Devils by the overwhelming score of 48-0. Derwent Langley took the opening kickoff and raced up the middle of the field for a "TD". Philip Marlowe kicked the first of the six extra points of the evening and the onslaught was on. The entire Cadet team saw action as Coach Rollins substituted freely. Larry Wong, Arthur Glisson, and Langley scored twelve points apiece.

Next, the Musketeers journeyed to Atlanta only to be turned back by an underrated Bass High team. The game was played on even terms until a returned Richmond punt was brought up to the 28 yard line which set up the Bass score. The try for the extra point failed, and the Blue Wave led 6-0. A blocked punt and a 41 yard drive ended the scoring for the night. Bobby Walker and Jack Dodgen shone brightly for the Musketeers on defense.

The following week in Columbus, Georgia, the Cadets edged out Jordan High 21-19. The home team outplayed the Cadets throughout and went into the dressing room with a comfortable 13-0 lead. At the beginning of the third period it looked like a duplication of the first half when Jordan scored on an 88 yard dash on the first play from scrimmage and ran up a 19-0 lead. Then that "never say die" Richmond spirit caught fire, and the Cadets rushed to the 25 yard line of Jordan, and Langley went over for the score. Again in the fourth period, Langley scored. The score was now 19-14. In the last period with two minutes to play, Bilbo Chance threw a 38 yard pass to Jack Dodgen and the lanky end went to the Jordan 1 yard line. Walter Daley

plunged into the Red Devil line for the winning T.D. The final score was 21-19 in favor of the Academy. "Snookie" Marlowe kicked three out of three extra points.

On October 15th, the Cadets played host to Columbus Blue Devils and came out on the short end of a 19-7 score. The cadets scored first on a Blue Devil fumble on the two yard line of Richmond. Bobby Walker plunged into the line for the score. Phillip Marlowe's kick gave Richmond a short-lived 7-0 lead. A Columbus pass late in the second quarter gave the Blue Devils their first score. The Cadets lead 7-6 at the half. A cadet fumble on their own 35 gave the Blue Devils their second 6 points, and the try for the extra point was good. Late in the last quarter, Columbus scored again for the victory.

Richmond defeated B.C. Military Academy for their first Region Two Victory. Derwent Langley scored early in the first quarter after he went 54 yards off tackle. Marlowe's kick failed for the extra point, and the Cadets led 6-0 till the final quarter. "Wee Wee" Weathers raced to the Maroon 35 and Bilbo Chance found Dodgen with a pass on the 10. Walker and Langley moved it within inches of the double stripes, and Chance went over. This time Marlowe's placement was good, and ARC won, 13-0.

Smith High moved into the ARC Stadium on Oct. 29 and beat the Roll-insmen, 20-7. The cadets scored first as Bobby Walker went over from the 15 and Marlowe booted the extra point. Smith scored on an intercepted pass late in the second quarter and raced 30 yards for the score. Smith High scored again in the third period on a 3 yard plunge. Their final tally came

on the 10 yard touchdown pass late in the fourth period.

Richmond defeated the Savannah High Blue Jackets on the night of November 5th by the score of 7-0. Bobby Walker shone brightly for the cadets with Langley and "Ludie" Glisson played bang-up ball for the Cadets. Bilbo Chance scored from the 1 ft. line in the second quarter and Richard Weathers held the pigskin as Marlowe booted the extra point.

The next week the team went to Macon, Georgia, where the Lanier Poets ran wild over them. The Poets scored in every quarter while the cadets could score only in the second quarter. This came after a 64 yard drive, sparked-plugged by Walker and Langley. Chance passed to Dodgen for the T.D. Marlowe booted the extra point.

On a beautiful Thanksgiving day, a fighting Richmond team beat Boys' Catholic High 13-0 for the city Championship. Chance scored early in the first period after Captain Walker made a first down on the 4. A Catholic drive was stopped when Walter Daley intercepted a pass on the 5. The half ended with the Shamrocks in control of the ball on the 50, and the cadets leading 6-0. Dink Hensley scored on a run off tackle with only a minute remaining in the game. Marlowe kicked the final point, and the Musketeers won 13-0.

On December 6th, Richmond journeyed to Brunswick and was trampled by the score of 24-0. The game was never in doubt as Glynn Academy won the game and Region Two Championship.

With the return of six letterman from last year's team the 1949 team turned in one of the most impressive records in the history of basketball at Richmond. After finishing the regular season with a record of 10 wins and 1 loss the Cadets won the Regional Tournament in Savannah by edging out Benedictine in the finals. The following week they traveled to Atlanta where they lost a heartbreaker to Ross-ville High despite a last quarter rally. The team was represented on the GIAA mythical squad by LeRoy Suddath, who was the sparkplug of the Cadet offense. Walter Daley, sharpshooting forward, secured a second string berth. Suddath and Daley also represented the Cadets on the All-Tournament teams and on the All-Regional squad. Richard Weathers and Gaines Huguley, speedy guards, had enough votes to receive regional honors. Weathers was named to second string berths on both the Regional and Tournament squads. Huguley was named to the second string All-Tournament five. Jimmy O'Daniel, lanky forward, although not making an all-star team, should be lauded for his dependable play and for the excellent job he did while acting as captain during the tournaments. The eleven boys who made up the team and their capable coach are proud of their achievement.

The Future Farmers of America, or FFA as it is usually known, is a national organization of boys studying vocational agriculture in high school. The object and aims of the society are essentially this: to help a farm boy to help himself. By participating in its varied activities a member learns more about the vocation of farming, develops his own capacities, cultivates an interest in his community, and gets a better understanding of national problems involving the business of farming.
